Four of six cafés are behind target, and Henderson is furthest behind

Kōtuku Café Group · this quarter, 13 weeks, six cafés

Quarter revenue vs target

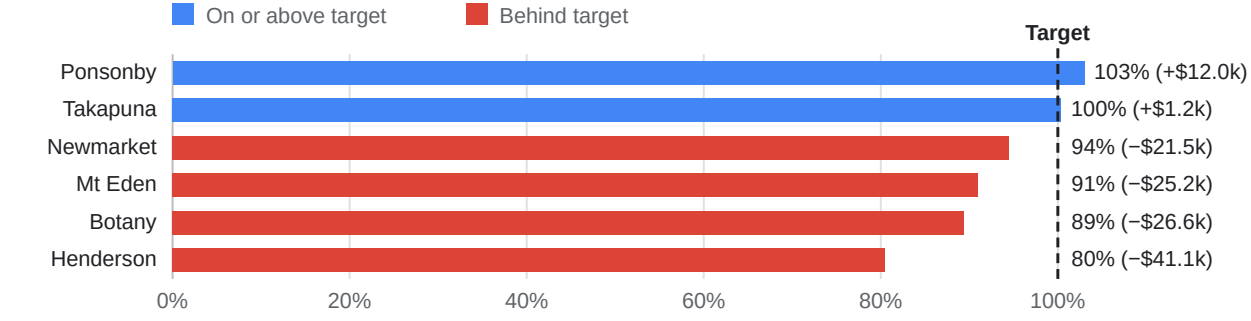

94%

$1.73M of the $1.83M target

$101,200 behind target

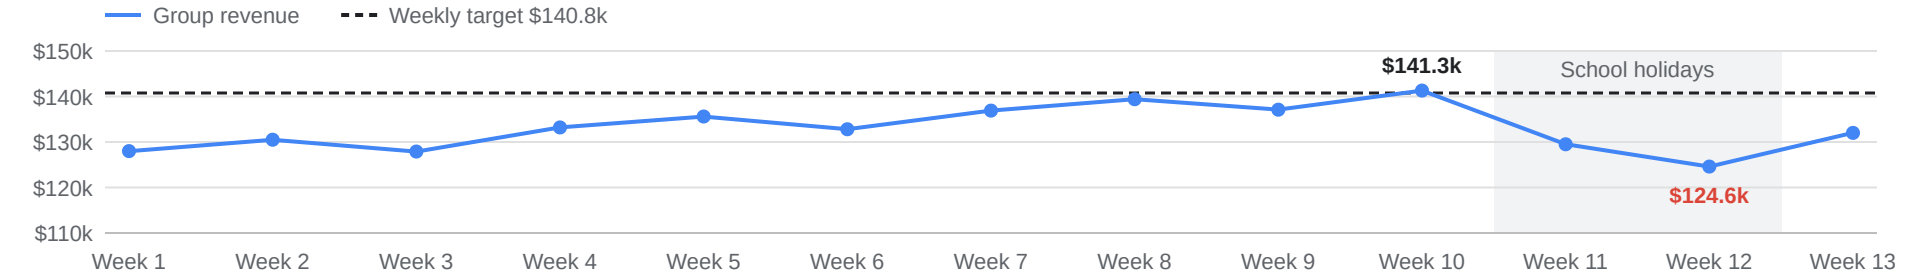

Henderson is furthest behind, at 80% of target

Revenue as a share of each café's target, with the gap in dollars

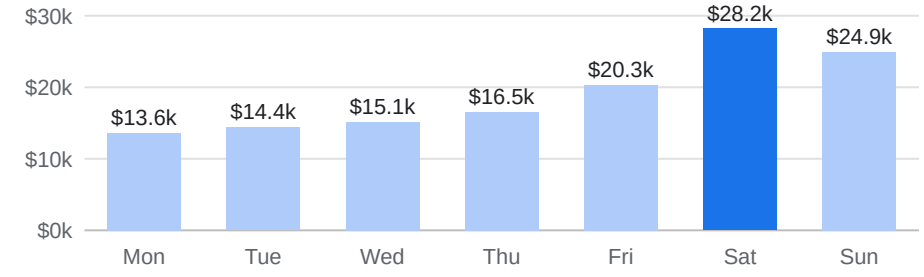

Revenue peaked in week 10, then fell through the school holidays

Group revenue per week

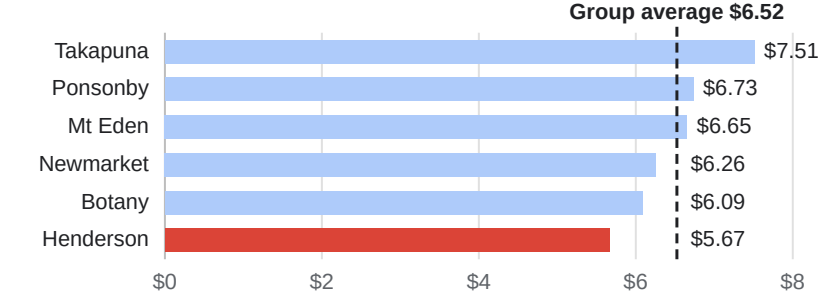

Saturday brings double Monday's revenue

Average revenue per day. Friday to Sunday bring 55% of the week

Henderson customers spend the least

Average spend per customer this quarter

Afternoons and patients with no reminder miss the most appointments

Harbourview Medical Centre · missed appointments (DNAs), April to September · groups only, no patient names or identifiers

Overall missed-appointment rate

7.9%

456 of 5,780 bookings. September 6.9%, down from 8.8% in July

No reminder, compared with a text reminder

12.7%

against 5.6% when a text was sent: 2.3 times as likely

Highest single slot

17.3%

Friday afternoon. Small base: only 150 bookings, so treat with care

Monday to Thursday afternoons are missed most often

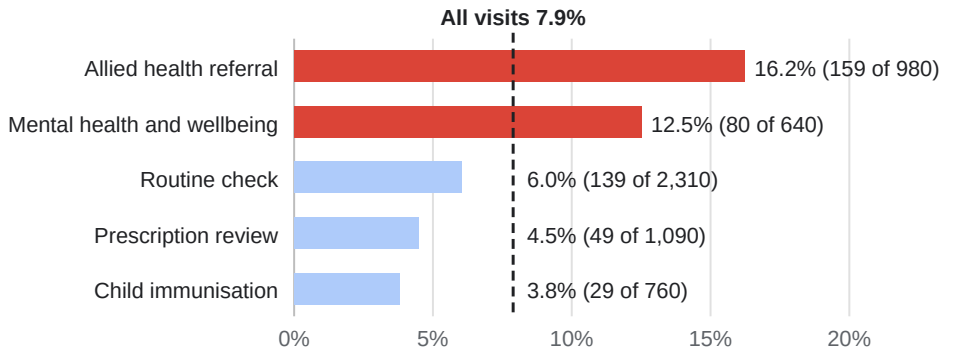

Missed share of bookings, by day and time. Counts in small type

Day	Early (8–10)	Midday (10–2)	Afternoon (2–5)
Monday	7.1% 22 of 310	7.3% 38 of 520	10.0% 41 of 410
Tuesday	6.9% 20 of 290	6.5% 35 of 540	8.6% 37 of 430
Wednesday	6.1% 17 of 280	6.2% 31 of 500	10.0% 39 of 390
Thursday	7.0% 21 of 300	7.0% 37 of 530	9.5% 40 of 420
Friday	7.3% 19 of 260	7.3% 33 of 450	17.3% 26 of 150 (small base)

Shading: under 7.5% · 7.5 to 9.5% · 9.5 to 14% · over 14%, light to dark.

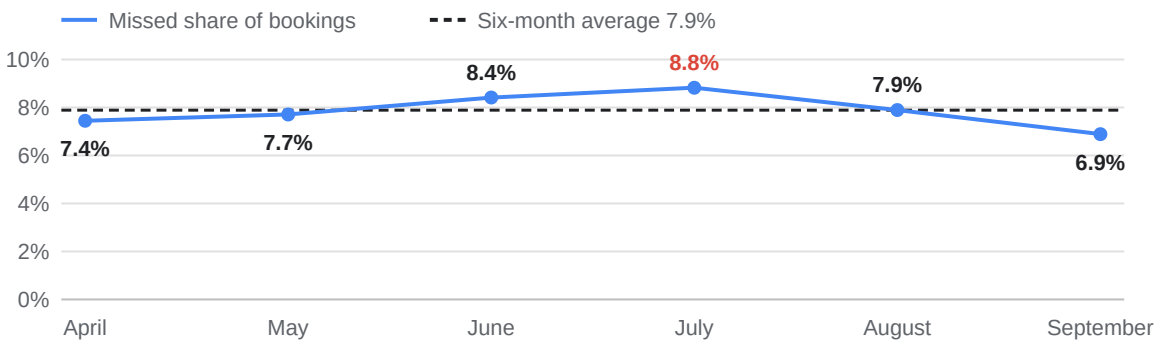

Allied health and mental health are missed most

Missed share by appointment type, against the overall rate

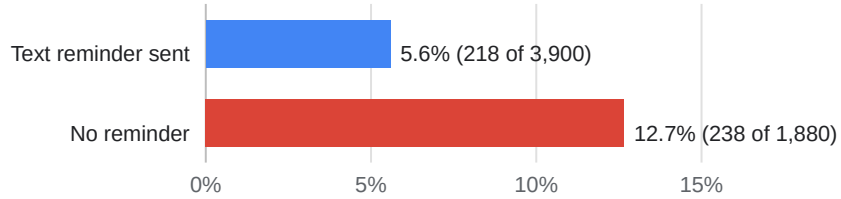

The rate peaked in July and is now the lowest of the six months

Missed share of bookings each month, starting from zero

Patients with no reminder miss twice as often

Missed share, by whether a reminder was sent

33% of bookings had no reminder, and they made up 52% of all DNAs.

Manukau and Auckland Central need action: 92.5% on time against a 95% promise

On time today (promise 95%)
92.5%
2.5 points under the promise

Delivered so far

7%

It took 38% of the ad budget. Each $1 spent on paid social earned $2.43.

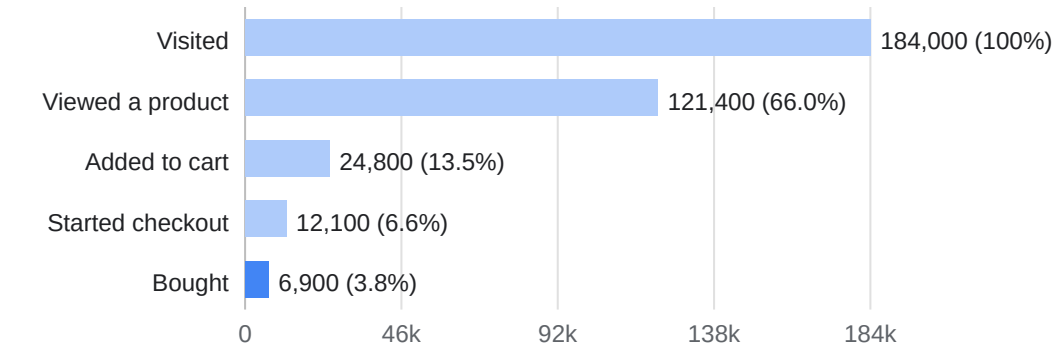

Organic search and email earn far more than they cost; both paid channels earn less

Each channel's share of ad spend against its share of revenue

Most shoppers leave after adding to the cart

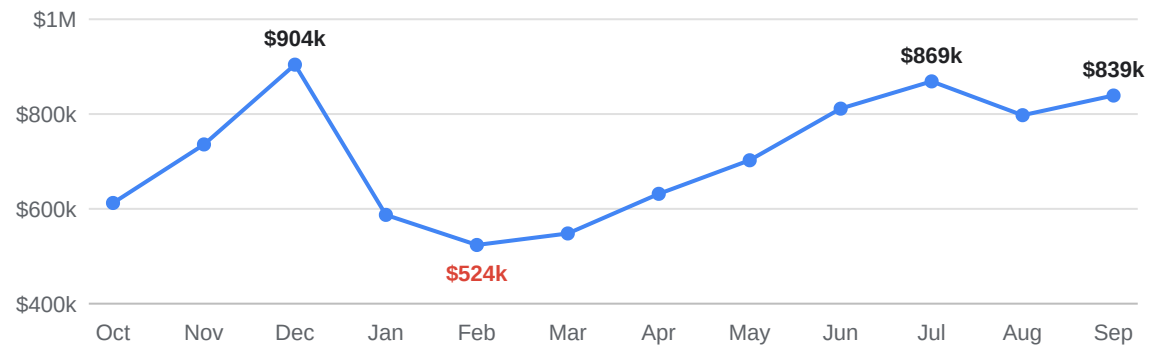

People at each step of the buying journey, and share of all visits

72% of carts never become orders: 24,800 added, 6,900 bought.

Revenue peaks in December and July

Revenue per month, last 12 months. February is the low

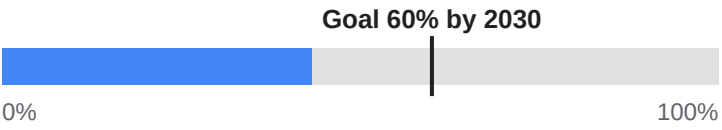

How is the valley doing with waste?

Tūī Valley Council · waste and recycling

43%

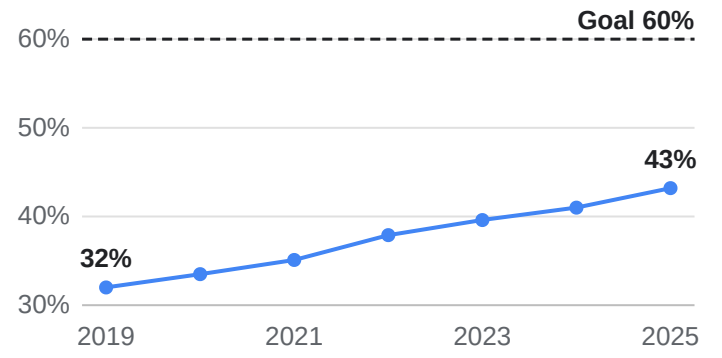

of our waste stays out of landfill. We need about 17 more points to reach our goal of 60% by 2030.

Last year we collected 25,000 tonnes. 10,800 tonnes did not go to landfill.

We are getting better every year

Up 11 points since 2019

Where our waste went last year

25,000 tonnes in total

Rubbish to landfill	**57%**	14,200 t
Recycling	**20%**	5,100 t
Green waste	**13%**	3,300 t
Food scraps	**10%**	2,400 t

How does your suburb compare?
