MBI800 · SISP GROUP PROJECT

Peer rating sheet

One sheet per student
Hand in at the end of the session

Your name _____ Your group number _____ Date _____

Rate every group except your own. Give each criterion a whole number from 1 to 5 and add up the total out of 30. Score what you see and hear in the presentation, including the work behind it, not how much you like the presenters. Then turn over and write one strength and one improvement for each group.

1 Weak	2 Developing	3 Sound	4 Strong	5 Excellent

C1	**The organisation**	Clear grasp of its vision, mission, objectives and current situation, backed by real, cited evidence.
C2	**Strategic alignment**	Initiatives trace back to objectives and gaps. Priorities make sense and the roadmap is believable.
C3	**Risk management**	A suitable framework, explained and applied. Real risks with sensible controls and owners.
C4	**Ethics and culture**	Privacy law, Indigenous data sovereignty, consent and fairness handled in specific, practical terms.
C5	**Novel technology**	Immersive, AI or data science proposal that solves a real problem and has been tested for feasibility.
C6	**Delivery and teamwork**	One team, on time, every member contributes, slides are clear and questions are answered well.
